Members Present: Names not taken this evening

Minutes for the February 13, 2008 meeting were read and approved.

OLD BUSINESS:

1. We discussed the possibility of becoming involved in RAGBRAI this summer. Ideas discussed included hosting a campsite, food vending, or entertainment and beer tent. We know that RAGBRAI will be staying overnight in North Liberty on July 24, 2008. We do not know for sure what route the riders will take into town, but there is a good chance it will come past the airport. On a given day, as many as 20,000 riders may be involved in this ride. It was noted that the North Liberty RAGBRAI committee is meeting at the North Liberty Community Building this Sunday, March 2 at 5 PM. Treiber, Colony and Beeghly planned to attend to learn more.
2. Treasury: We are still getting by with difficulty due to the rotten weather and infrequent flying.

NEW BUSINESS: 5219 Quebec met with an incident involving a snow bank. It bent up the prop and dinged a wing. The prop has been sent off to be straightened. Duke is going to look into what is needed for the wing when he gets back from vacationing in a warm place.

Meeting adjourned at 6:40 PM. Moved by Dunn. Seconded by Beeghly
