OLD BUSINESS:

Duke brought 5219Q back, worked on 11157, and took its carburetor with him. The Ercoupe is at Bloomfield for annual.

Treasury- Don said it is about the same.

Clean-up of the trees was completed Saturday thanks to Paul Ross, "tractor driver" Chris and dad Brett Lenz, Larry McChesney, and "???" They hauled about seven wagon loads of limbs away.

Pete Buffington and Larry McChesney repainted the wind tee with a bright orange paint on Saturday also.

The paperwork from Krauss has been sent to the new cardinal owner. We are done with that now.

Additional RAGBRAI discussion was held:

- Should we provide sweet corn as an option? Calvin would plant it in his field. The club would have to pick, clean and cook it.
- Should we have ice cream?
- There is a RAGBRAI meeting in Ames that we have been invited to attend. President Rick will be going and would like another volunteer to go along. It is from 10-3 on Saturday April 12th. Their agenda deals with beverage gardens/alcohol, entertainment, food service, sanitation, Department of Revenue and Inspection and Appeals.
- Security of the property and planes.
- The Blog is up and running.
- Linking the bands to our site.
